

## Agent Update

*An Update From BlueChoice HealthPlan Sales/Marketing*

**June 3, 2009**

### **SC DEPARTMENT OF INSURANCE Online Change of Address Notification Requirement**

Effective July 1, 2009, the South Carolina Department of Insurance (SCDOI) will no longer accept paper requests for address changes. Licensees must submit all address changes online via the Internet at <http://www.nipr.com/>.

All licensees must notify SCDOI of any change in address within 30 days. Pursuant to Section 38-2-10, failure to inform SCDOI of address changes could result in penalties up to \$2500 for each violation.

Having inaccurate addresses and other contact information on file with SCDOI may also result in licensees not receiving important notices and other communications. More importantly, licensees may miss critical response deadlines that could result in suspension or revocation of their authority to transact insurance business within the state.

For additional information, visit the South Carolina Department of Insurance Web site at: <http://www.doi.sc.gov/>.

Submit questions regarding agency, adjuster, producer or broker change requirements to the Agent mail box at [agntmail@doi.sc.gov](mailto:agntmail@doi.sc.gov).
