An Update From BlueChoice HealthPlan Sales/Marketing

July 14, 2009

BLUECHOICE HEALTHPLAN ENHANCES WEB SITE FEATURE

BlueChoice HealthPlan has enhanced its Doctor and Hospital Finder tool on www.BlueChoiceSC.com. With the new Doctor and Hospital Finder, members can:

- Search for provider by name, specialty, office name or health condition
- Retrieve a doctor's name, Web address, office hours and links to map/directions
- View affiliated practitioners with an office and find out where the doctor has admitting privileges
- Show recognitions and board certifications
- Filter search by admission privileges, languages spoken, gender, board certification, accepting new patients and primary care physician status
- Filter facility results by Blue Distinction[®] or other accreditations and
- Print provider lists quickly and easily

The newly enhanced Doctor and Hospital Finder is available immediately. We encourage you to visit our Web site today and try it for yourself.
