

Dear BlueChoice HealthPlan Member,

The Great Expectations **Maternity** program is providing you with this list of hospitals that offer perinatal education classes. Most facilities offer a variety of classes, such as childbirth preparation, breastfeeding, infant care and massage. Several hospitals also offer classes for siblings, infant CPR and car seat safety.

BlueChoice HealthPlan does not offer benefit coverage or any discounts for participating in these perinatal classes. However, we hope you'll find this list useful as a reference tool if you decide to participate in a perinatal education class. BlueChoice HealthPlan has no influence on the participation fees set by each hospital. The information in this list is offered as a general reference only.

Please be aware that class meeting times, dates, locations and fees are subject to change at the hospitals' discretion – so please directly contact the hospitals in your area to learn more.

If you have any questions for the Great Expectations **Maternity** health specialist staff, please contact us at 1-800-327-3183, ext. 25284. You can also visit our Web site at BlueChoiceSC.com
