

# Great Expectations<sup>®</sup>

FOR HEALTH

Health management programs from BlueChoice HealthPlan

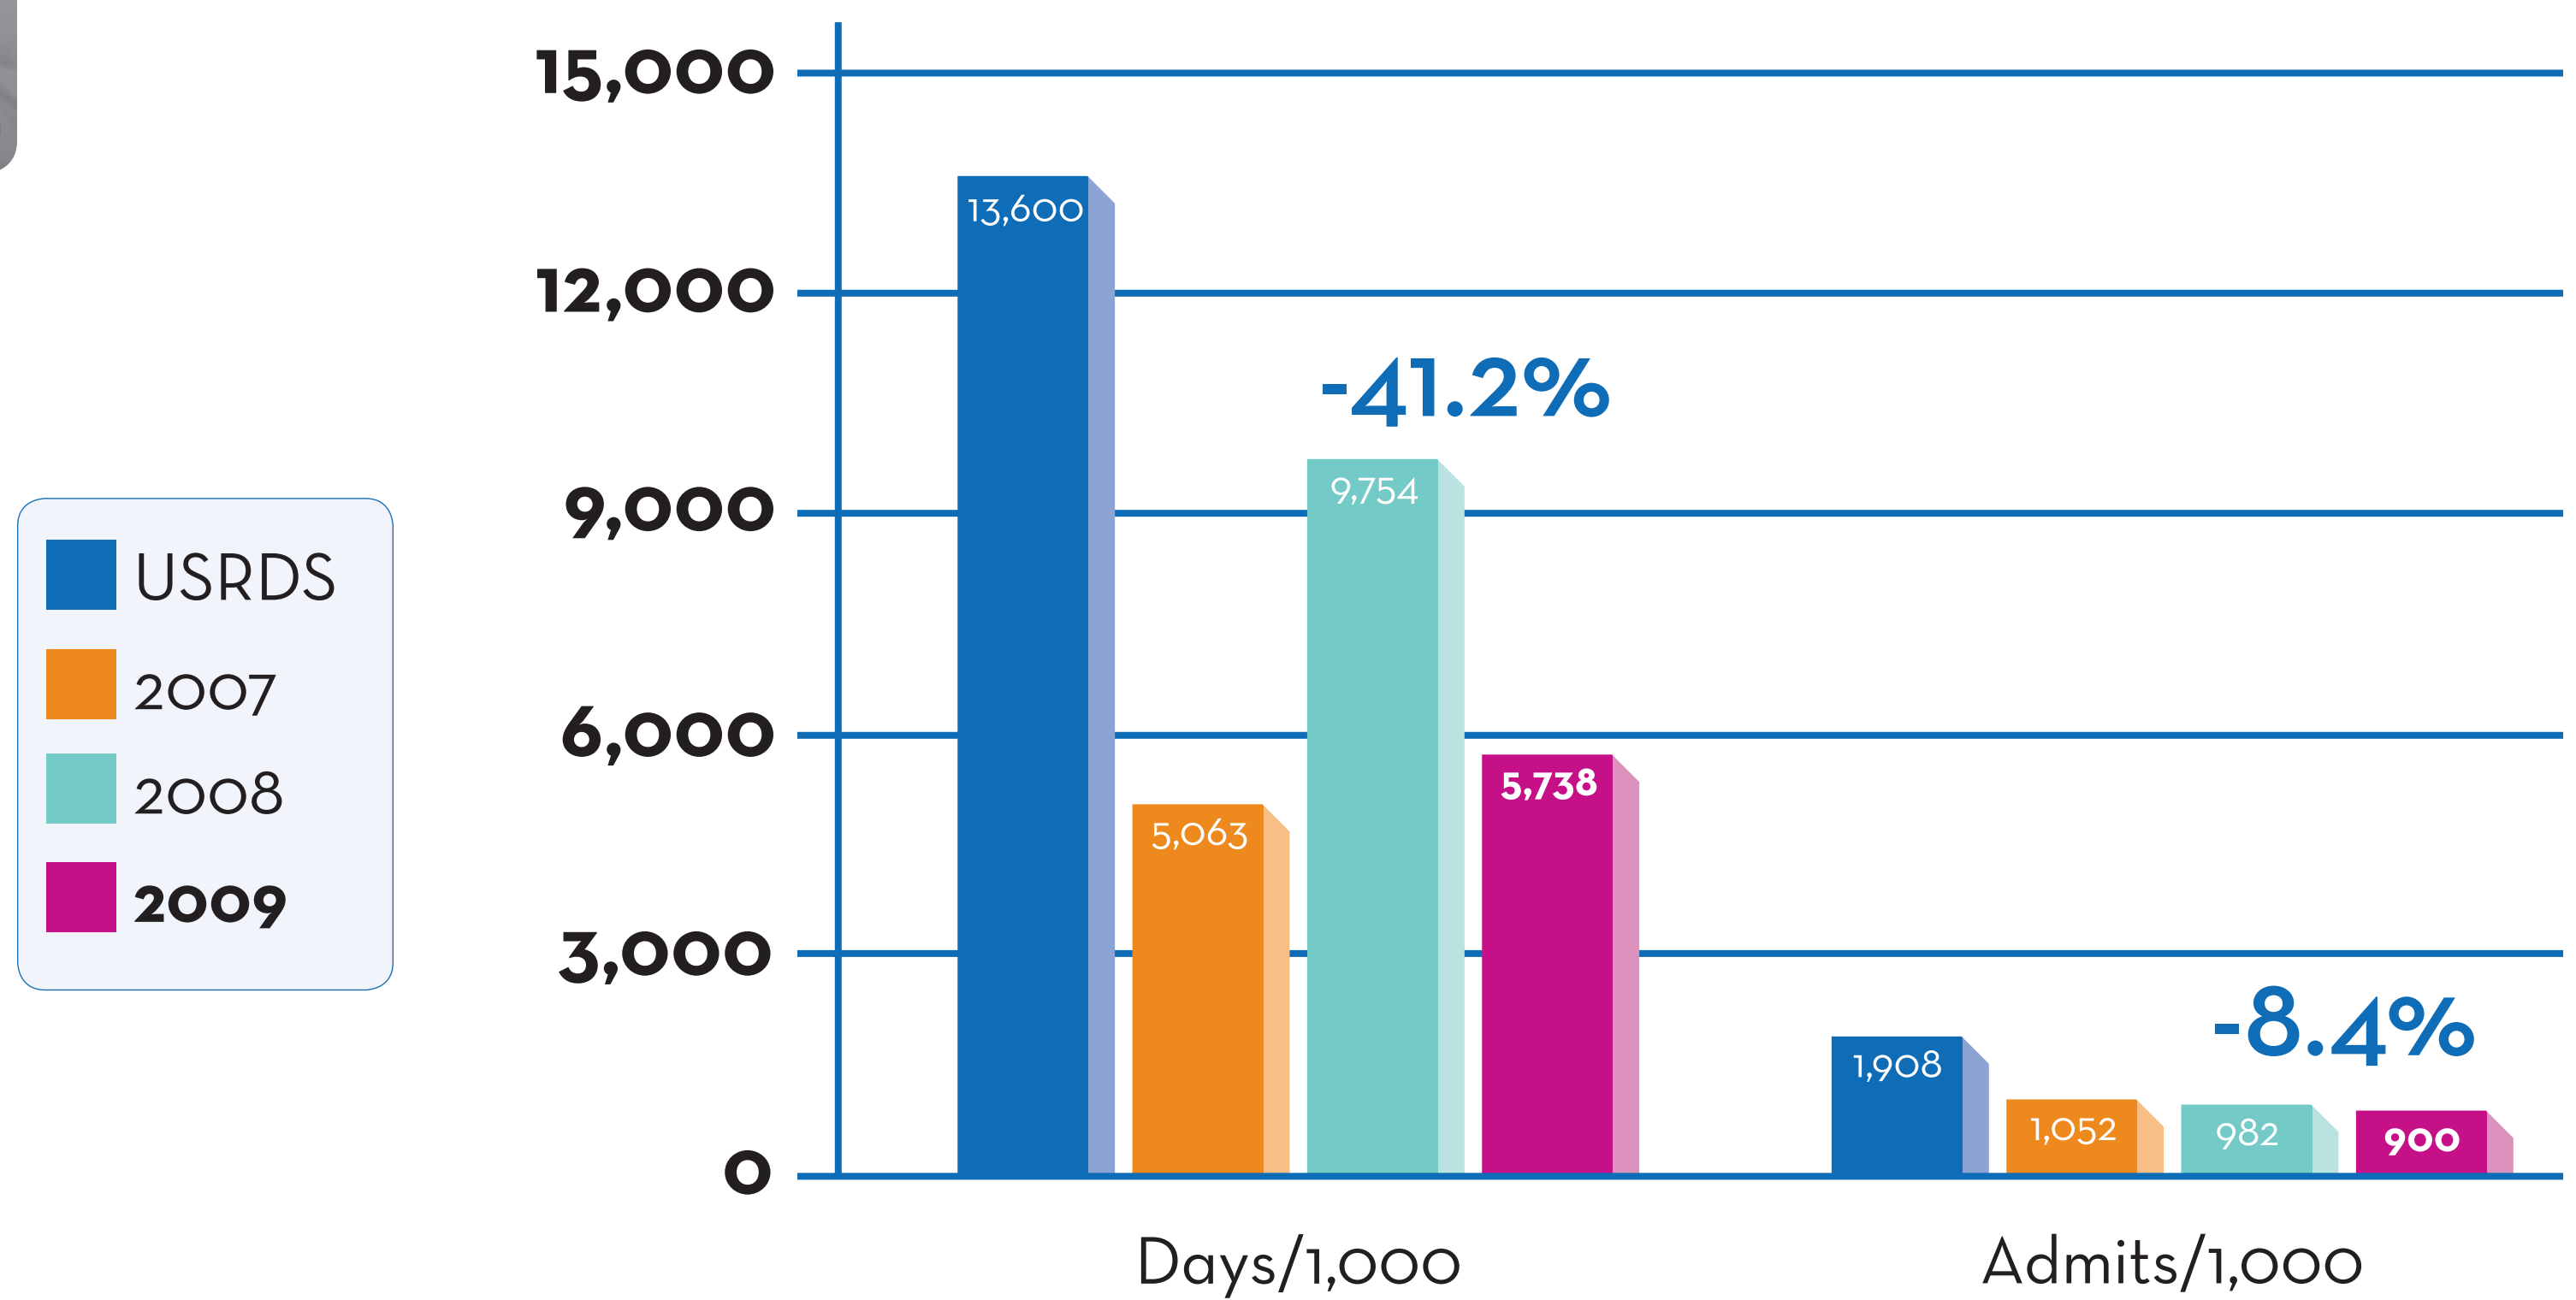

## Kidney

2009 Avg. Enrollment/Qtr: **ESRD 30** **CKD<sup>†</sup> 18**

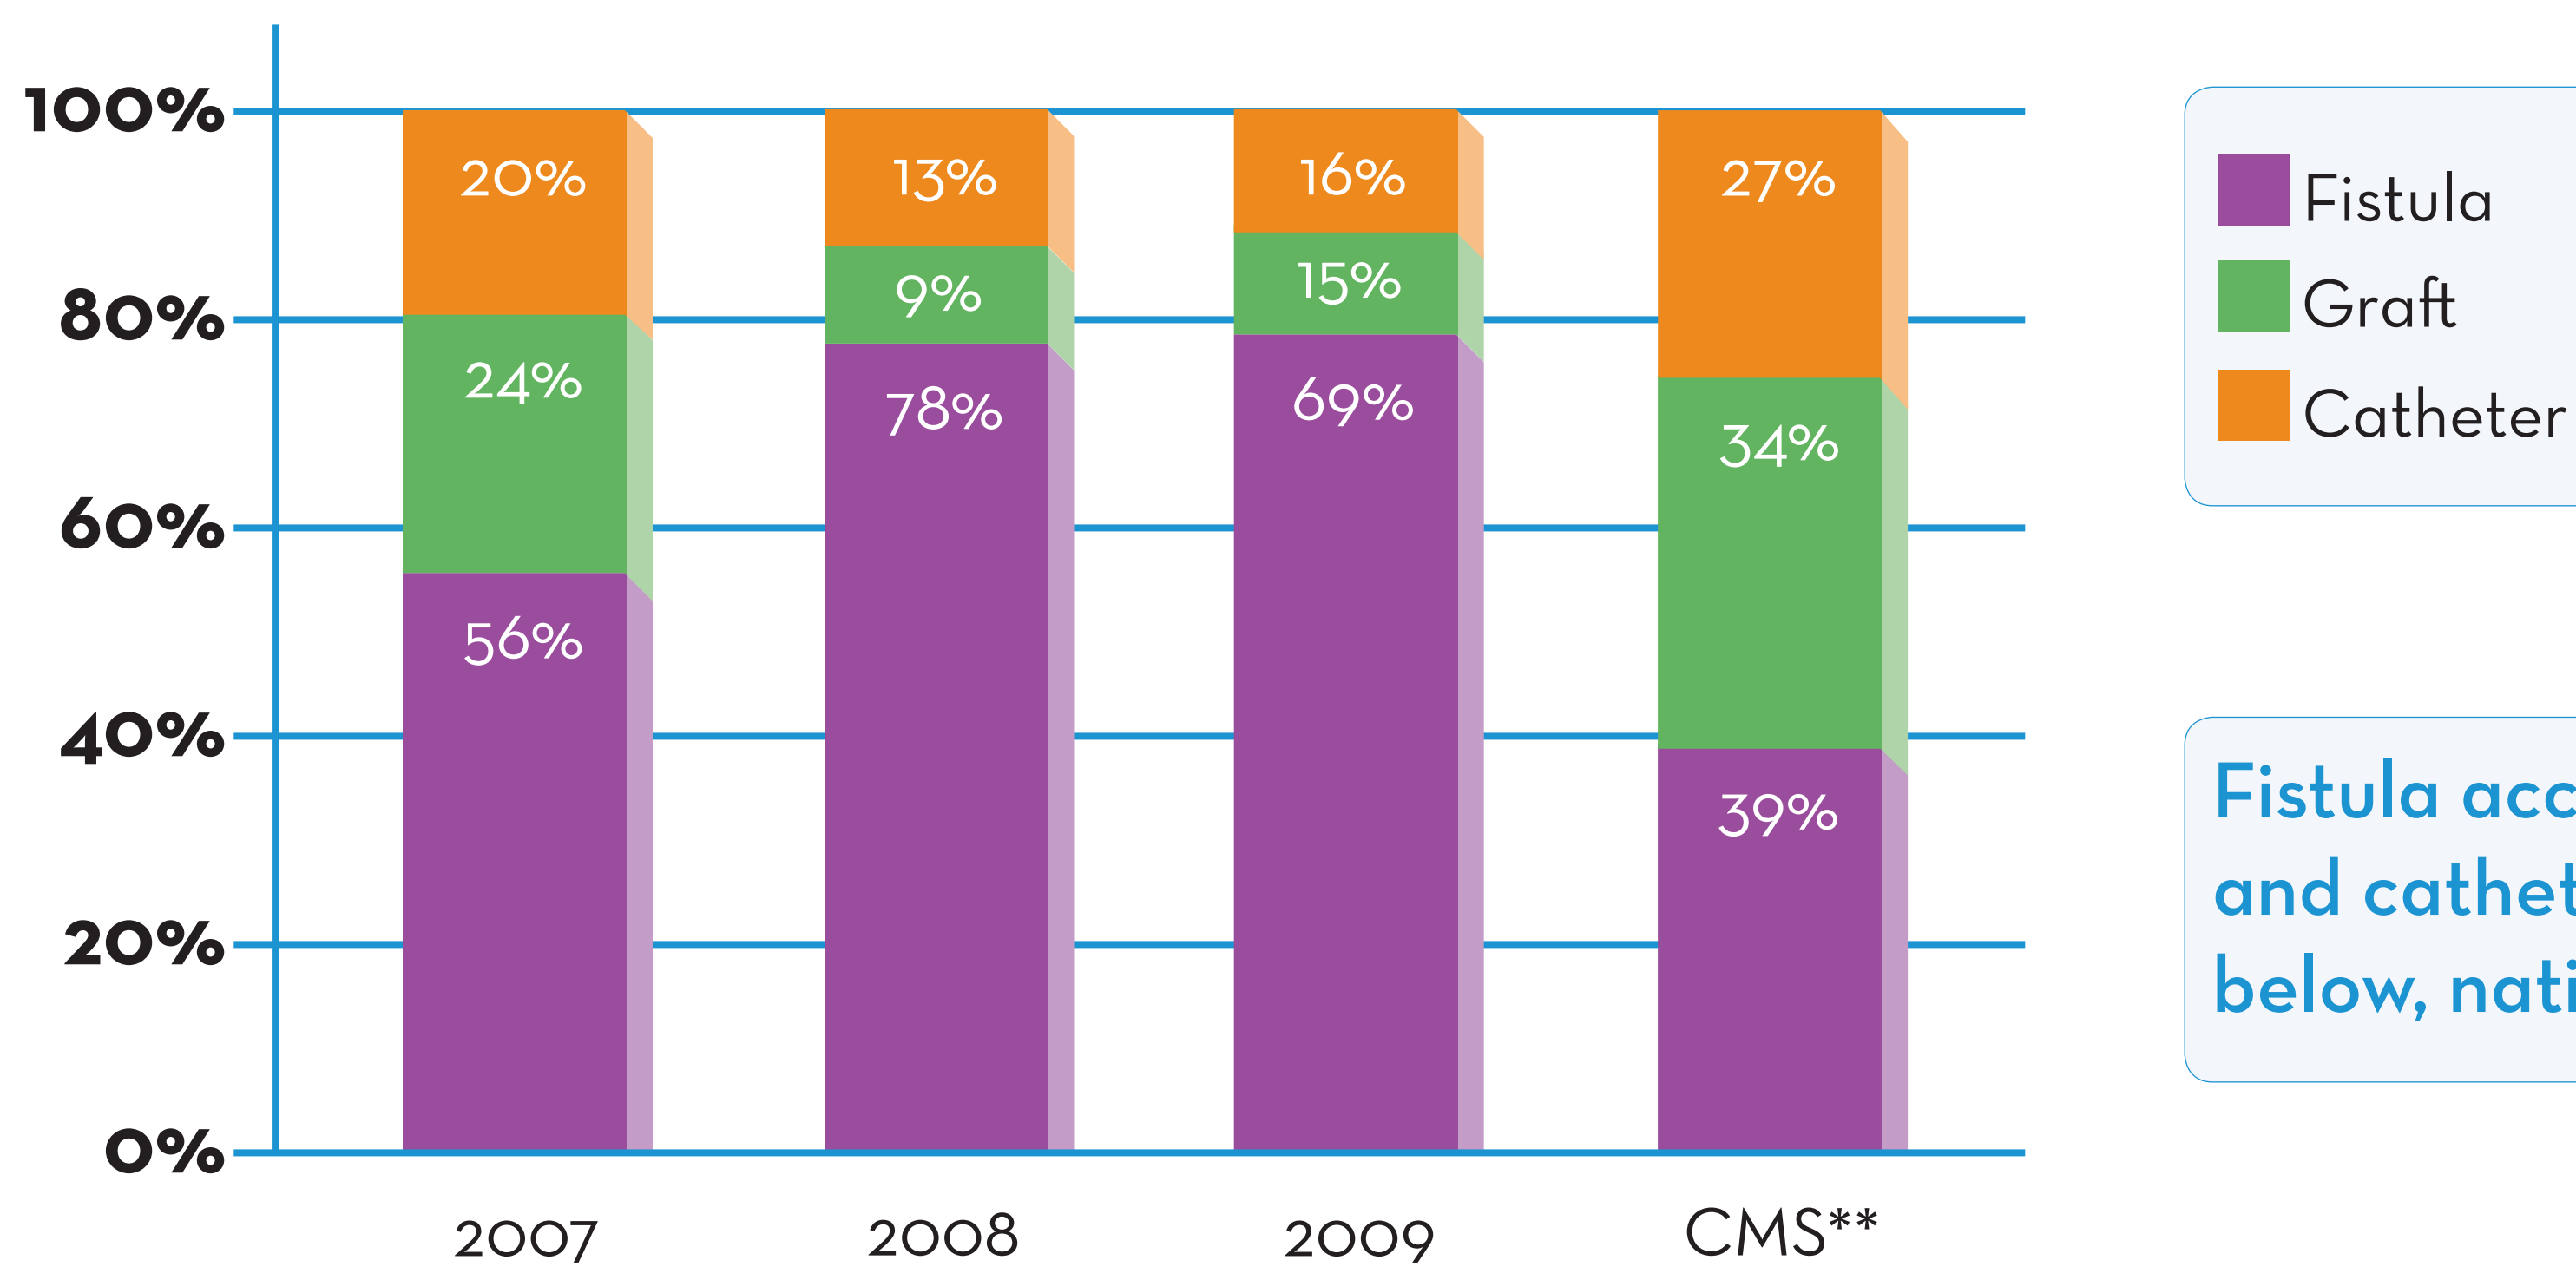

<sup>†</sup>Stage 4 or 5 CKD

### Hospital Admissions\* (per 1,000 members with CKD per year)

### Vascular Access (ESRD)

Fistula access remains well above, and catheter access remains well below, national benchmarks.

\*Percentage changes measured from 2008 to 2009.

\*\*From CMS's 2007 Annual Report, ESRD Clinical Performance Measure (CPM) Project. Population is a subset of the USRDS.

BlueChoice<sup>®</sup> HealthPlan is an independent licensee of the Blue Cross and Blue Shield Association.
