

Members Can Access 1095-B Tax Forms Through My Health Toolkit®

BlueCross BlueShield of South Carolina and BlueChoice HealthPlan make it easy for groups and members with fully insured coverage to access their 2022 1095-B tax forms. The 1095-B form (Health Coverage) is sent to individuals by the insurer to report minimum essential coverage. The form details the type of coverage, the months of the year the coverage was provided and the names of those covered by the plan.

Forms are now available through My Health Toolkit®. Members will not receive a mailed copy of their 1095-B tax forms. We are notifying groups and members of this information via email.
