

Create A Plan For Better Health

If you have a heart condition like heart disease, heart failure, high blood pressure or high cholesterol, Great Expectations for health can help. As a member of our program, you will learn to manage your symptoms and prevent complications so you can keep doing the things you enjoy. Ready to get started?

Enrolling

If you are identified for the program, we will automatically enroll you at no charge. Or you can self-enroll by calling [855-838-5897](tel:855-838-5897).

As a member of the program, you have FREE access to a personal health coach. To connect with a coach, call us at [855-838-5897](tel:855-838-5897) and select option 2.

Your health coach will:

- Help you identify barriers to reaching and maintaining your health goals.
- Personalize your plan for better health.
- Help you find a physician if you don't have one.
- Help you get the most out of your health benefits.

You will also receive:

- Information about how we cover your condition.
- Educational materials about heart health and reminders of recommended screenings.
