

Provider Reconsiderations

BlueCross BlueShield of South Carolina and BlueChoice HealthPlan accept provider reconsideration requests to review a claim that has processed with an adverse determination. An adverse determination is a denial or penalty that may affect the member and/or provider. Requests are reviewed in conjunction with our medical policies and the member's benefit plan.

Submitting Provider Reconsiderations

A provider can pursue provider reconsideration by using the [Provider Reconsideration Form](#). This form is intended for use by physicians and other health care professionals in South Carolina only. Please be sure to complete the form in its entirety and attach all supporting documentation.

Provider reconsideration requests should include an explanation of the issue(s) to be reconsidered, such as seeking additional benefits, or why we should reconsider the service. We require you to include any supporting documentation, such as member's history and physical, any operative reports, office notes, pathology reports, hospital progress notes, radiology reports and/or laboratory reports. We are unable to review requests that are submitted without supporting documentation.

Send the Provider Reconsideration Form to the appropriate fax number or address as provided on the form.
